AmbitionBox · Glassdoor			
Gap Severity	Talentedash Implication	Priority	Phase
Critical Gap	Build equivalent: boxplot view on salary pages showing P10/P25/P50/P75/P90 in one visual; far more informative than bar charts	P0	v1
Critical Gap	Talentedash must have this: 'Paste your offer -> see your percentile instantly' — drives contribution and SEO	P0	v1
Critical Gap	India industry browse: IT / BFSI / Consulting / Pharma / Manufacturing / FMCG / EdTech — industry landing pages drive massive SEO	P0	v1
Major Gap	India city browse pages: Bangalore / Mumbai / Hyderabad / Pune / NCR / Chennai / Tier-2; each city = SEO landing page	P1	v1
Critical Gap	India role landing pages for every designation — SDE/SWE/PM/Data Scientist/CA/Investment Banker/Actuary etc.; each = SEO page	P0	v1
Minor Gap	India version: '10-person meeting at TCS costs Rs X/hour' — viral social content + brand awareness	P2	v2
Major Gap	Add premium resume review service for India job seekers: LinkedIn profile + resume + ATS optimization; Rs499-Rs999 price point	P1	v2
Critical Gap	Major B2B product: employers create data-backed offer visuals using Talentedash data; differentiated employer tool; premium revenue	P1	v2
Major Gap	B2B data product for India HR teams; compensation survey replacement; partner with SHRM India / NASSCOM	P1	v2
Minor Gap	Build API + integration layer early; enables DarwinBox / Keka / Zoho People integrations for India market	P2	v2
Major Gap	India gender pay gap data by sector: IT, Banking, Consulting — powerful for media coverage + employer DEI positioning	P1	v2

AmbitionBox · Glassdoor			
Gap Severity	Talendash Implication	Priority	Phase
Critical Gap	Replace simple bar charts with boxplots on all salary pages; shows data honestly; power users demand this	P0	v1
Major Gap	India ESOP vesting visualizer: show cliff + monthly vest + tax event timeline; no platform does this for India	P1	v1
Major Gap	India: 'After COL adjustment, Hyderabad > Bangalore for SWE at mid-level' — powerful insight; drives tier-2 city migration stories	P1	v2
Major Gap	India-first mobile app: PWA + native; offline salary lookup; push alerts for saved companies; critical for India market	P0	v1
Minor Gap	Partner with IITs / IIMs for research access; creates academic credibility + media coverage + data seeding	P2	v2
Critical Gap	India career mentorship is huge: 'Find a mentor at Infosys -> TCS transition'; structured mentorship matching > just DMs	P1	v2
Major Gap	Talendash awards: 'Best Companies for Women in India' category; massive PR + brand signal; employers pay to be featured	P1	v2
Minor Gap	Talendash awards must match or exceed this scale: 16+ categories; transparent methodology; India industry segmentation	P1	v2
Minor Gap	Add structured 'Life at {Company}' section: employer-written culture story + employee-verified badges for key claims	P2	v2
Major Gap	Skill-to-job matching: user tags skills -> matched to companies where those skills pay most; career transition tool	P1	v2
Minor Gap	Talendash must make anonymity + safety a product promise in UI copy + onboarding, not just a backend feature	P0	v1

AmbitionBox · Glassdoor			
Gap Severity	Talendash Implication	Priority	Phase
Minor Gap	Add market context to every personal tool: 'Your hike: 12% Market avg: 9.4%' — validates or challenges the user's situation	P0	v1
Major Gap	Talendash needs a data scale signal: 'X salaries, Y reviews, Z companies' on homepage; drives contribution and trust; must grow fast	P0	v1
Critical Gap	Talendash Expert Network: verified career coaches + senior professionals (named) contribute advice alongside anonymous community; India context: CHRO, senior HRBPs, career	P1	v2
Critical Gap	Community must support rich media: video clips of 'day in life at Google', photos of office culture, poll results — text-only community is 2020	P1	v2
Major Gap	Named India topic bowls: 'Appraisal Season Bowl' / 'Layoff Watch India' / 'WFH vs RTO India' / 'IIT/NIT Placement Bowl' — topic-specific communities drive retention	P1	v2
Critical Gap	AI Resume-to-Role Match for India: 'Your profile matches 73% of SDE2 at Flipkart requirements; salary alignment: Rs24-28L vs your current Rs22L'	P0	v2
Major Gap	Employer company news feed: fundraising announcements, new office, culture events — keeps company page fresh; candidate engagement tool	P1	v2
Critical Gap	Company follow + alert is a core retention feature: 'Infosys added 8 new salaries this week — you follow this company' via email + WhatsApp	P0	v1
Major Gap	Talendash Research: publish quarterly India salary reports, appraisal season data, India WFH trend — positions brand as authoritative data source for HR media	P1	v2
Minor Gap	Talendash India Podcast: 'Real Talk on Indian Workplaces' — episodes based on trending community posts; distribution on Spotify/JioSaavn	P2	v2
Major Gap	Talendash awards badge: downloadable badge kit for winning employers; LinkedIn cover image templates; drives organic brand distribution	P1	v2

AmbitionBox · Glassdoor

Gap Severity	Talentedash Implication	Priority	Phase
Major Gap	Talentedash Interview Bowl: India-focused real-time interview prep; 'TCS interview tomorrow — what to expect?'; ties into interview data	P1	v2
Major Gap	India Career Pivot Bowl: 'Service to product switch', 'IT to BFSI', 'Corp to startup' — highly relevant India career discussions	P1	v2
Critical Gap	Every job card on Talentedash should show: 'Above market', 'At market', 'Below market' badge on the salary — instant signal at listing level	P0	v2
Minor Gap	India mobile-first product must have dark mode + accessibility from v1; important for battery life and low-light use	P1	v1
